## THE FOOD

THE CIBO KITCHEN WORKS WITH MOTHER NATURE AND CHANGES MENUS WITH THE SEASONS;  
INGREDIENTS ARE SUBJECT TO AVAILABILITY

Cibo Trattoria is the perfect spot to celebrate your event with authentic Italian cuisine prepared in a traditional manner using ethically-sourced, seasonal and local ingredients. We pride ourselves on crafting exquisite menus for your gathering by showcasing rustic elegance in each dish. Set and group menus are available upon request.

## WINE LIST

At Cibo, we have a dynamic, ever-changing wine program that has a focus on local and Italian wines with a few gems from other prolific wine regions around the world. Curation of this type of program means that some of the wines in the cellar are only available in very small quantities.

If your group has preferences regarding Old World or New World wines, a preferred country, region, or grape variety, and a price point or budget for wine, please let us know. We're dedicated to curating a personalized wine experience for your special day, though availability may vary.
